Fund-raising Committee

Could not let the whole year go by without some kind of fundraiser. Went to Sena with an idea to have something at the library at the end of National Friends of Library Week. Turns out that is the same weekend that Nevada is celebrating Nevada Day and she was coming to me with an idea. We discussed doing a joint fundraiser with Friends and the Library at the Adams Hub. More details will be forthcoming after the Hub has checked out some things. New chairman and committee might want to consider a date night kind of thing at the library next February. Apparently, the library staff like this idea.

Publicity Committee

Ongoing publicity posts include the following:

We continue to post several times a week on Facebook. These posts include any events, sales, author presentations, etc. These Facebook posts are then forwarded to Carson Now.

We did posts on the parking lot sale on June 23, and the author event on June 13. We also posted the 4th of July store closure. There were quite a few posts by Momentum staff this month as well. These covered events as well as information about FOCCL as well as what was happening at the book store.

Posts are made monthly indicating the special buy one get two free sale on books by featured authors.

Respectfully submitted,
JoAnn Carpenter
